

# FREE HIGH SPEED INTERNET

**Free high speed internet is available throughout  
Shreveport Regional Airport and provided by the  
Shreveport Airport Authority**

## **TO BEGIN YOUR SURFING ADVENTURE FOLLOW THESE STEPS:**

1. Launch your internet browser and you will be routed to a page that will instruct you to "click to access the internet"
2. Your web surfing adventure will begin by routing you to the Shreveport Airport Authority website. There are numerous links from which you can choose. For example you can check flight status, rental car information, traveler tips, etc.
3. In the rare instance your computer has trouble connecting to the server, go to your computers wireless settings and select repair network connection.
4. If the computer is used on a network, you may need to change your connection settings in the tools tab under internet options. The proxy server should not be checked.

If you have any questions, please contact the Marketing Department at 673-5370, Monday-Friday 8:00 a.m. to 5:00 p.m.
